

EXPRESSION OF INTEREST FOR TRAINING AND CAPACITY BUILDING CONSULTANT

NATIONAL INNOVATION CHALLENGE FOR WOMEN 2022/23

PURPOSE:

The purpose of the call is to request expressions of interest from persons with expertise within various fields to serve as trainer(s) for NCRST's National Innovation Challenge for Women (NICW) programme. The programme is aimed at creating a network of women entrepreneurs by providing them with the support they require to accelerate their businesses and create awareness for women on the potential business opportunities in various sectors.

ELIGIBILITY CRITERIA:

The trainer must fulfil the following minimum requirements to be evaluated as a potential service provider:

- Hold at least a relevant bachelor's degree
- Relevant experience in creating and executing online trainings
- Provide three relevant written references from the past three years indicating relevant experience in the training content indicated in Business Model Canvas (BMC), Business Planning Development (BPD), Market research, Pitching, Intellectual Property, E-Commerce, and Finance (costing & projections) (expanded in the ToRs)
- Have excellent reporting and presentation skills in English

THE DOCUMENTS TO BE SUBMITTED ARE:

- Brief implementation plan covering (i) content and (ii) approach, (iii) training format as indicated for suggested training in Phase I to Phase III (face to face) and the identification of specialists and mentors for start-ups in Phase II (maximum four pages);
- Full updated CV of the trainer highlighting relevant experience to the assignment.
- Three written references of assignments (a reference letter with contact details from stakeholder indicating training overview, participant profile, and brief feedback etc. will suffice);
- Daily rate in Namibian Dollars.

HOW TO APPLY:

Interested persons are invited to request for ToR from: Kindly submit the required supporting documents to: No late submissions will be accepted
